

Announcing the opening
this spring of

PandaVision 3-D

at the **Aquarium of the Pacific**
Long Beach, California

Spotlighting habitat preservation, this exciting new 3-D experience from nWave Pictures is powered by the breakthrough **Panasonic Digital Cinema System**, designed by **ETI**.

For information on the **Panasonic Digital Cinema System** and **PandaVision 3-D** for your venue, call **310-536-7070** or visit edwardstechnologies.com.
